Why Buy 440NX Drive

NUCLEAN

COMPACT 440 DRIVE

Take compact cleaning further, cover larger areas and boost productivity with the 440NX Drive. Combining all the trusted features of the 440NX with the advantage of Powered Drive.

The powered drive technology delivers deep cleaning with agile, lightweight handling, reducing operator strain and effort. Enjoy up to a 48% increase in cleaning coverage, enabling you to clean more space in less time with ease and reduce operator strain.

Achieve fast, effective and sustainable cleaning across hard floors, from tight corners to expansive spaces, outperforming traditional methods every time.

Key Features & Benefits

Powered-Handling, Effortless Control

Powered drive system delivers deep cleaning with agile and lightweight effortless handling, reducing operator strain.

Take your Cleaning Further

Cover larger areas and extend productivity with a 48% increase in cleaning coverage.

One-Pass Performance

One-pass cleaning performance is achieved by applying brush pressure and a powerful drive motor with the right amount of water in the right place.

Easy Cleaning Park-Up Mode

"Park-Up" feature allows users to quickly park-up to move obstacles or carry out other cleaning tasks.

3-Year Warranty

Backed by a rock-solid 3-year warranty, guaranteeing dependable performance and long-term reliability, clean after clean.

Enhanced Sustainability

Leading sustainability with the use of ReFlo recycled plastics, saving over 5000L of water*¹, reducing chemical usage by 80%, and lowering energy consumption. The 440NX Drive is made using a minimum 20% recycled plastic content, including accessories.*²

One Fits All Productivity

The NX300 Pro Cordless Network brings the convenience and performance of professional cordless cleaning across our growing interchangeable battery range.

Powered-Handling Effortless Control

Specifications
